Page 1 of 2

Charge for Cut-in After Discontinuance of Service for Nonpayment of Energy Service Bills

A standard reconnection fee of \$20.00 will be collected before restoring electric service to any customer who has been disconnected for nonpayment of energy service bills.

Installing Temporary Metering or Service for Electric Facility

A customer requesting temporary metering service will be charged on a time and material basis in accordance with Rate 110.

Utility Services Performed After Normal Business Hours

For service calls requested by customer for cut-ins, cut-outs, and disconnection or reconnection of appliances after the Company's regular business hours and on Saturday, Sunday, or legal holidays, a charge will be made for labor at standard overtime service rates and material at retail prices.

Reconnection Fee for Seasonal Customer

A charge of \$20.00 will be collected for reconnecting electric service to any customer who has discontinued electricity at the same location during the preceding twelve month period.

Returned Check Charge

A charge of \$20.00 will be collected by the Company for each check charged back to the Company by a bank.
