by the customer or other mounting point suitable for installation of the light. The conductors will be extended 100 feet per unit, free of charge, but the customer shall pay for the extra cost of extensions of more than 100 feet per unit.

- c. To the rate stated herein, bulb replacement and ownership costs for the units shall be added. The customer should consult with the Company for such costs.
  - d. The Company will maintain the facilities and change the light bulbs when notified by the customer that they are burned out except when the facilities are damaged or destroyed by vandalism, malicious mischief by third parties, or willful negligence on the part of customer. In case of vandalism, malicious mischief, or willful negligence, the Company will charge the customer for the cost of repair and replacement.
2. When service is not metered, the bill shall be computed on an annual basis, utilizing the minimum service requirement of 4,000 hours annually, and one-twelfth shall be payable each month.

Metallic vapor ratings in lumens shall be converted to watts on the basis of the published ratings currently issued by the General Electric Company and the Westinghouse Electric Corporation.

3. The foregoing schedule is subject to Rates 101-131 and any amendments or alterations thereto or additional rules and regulations promulgated by the Company under the laws of the state.
